The Mavericks famed hard hitting quick pursuing and punishing defensive unit who is of the stingiest in South Texas as well as the entire Region IV will enter this contest allowing 89 yards rushing per game and 95.5 yards passing per game. Last Friday night the Mavericks defense held McCollum to only 31 total yards rushing. The Mavericks defensive line featuring stellar Ricardo Morales, Maximiliano Garcia, Alexis Ontiveros and Jose Hinojosa will need to dominate in the trenches to allow their stand out hard hitting trio of linebackers of Miguel De Los Santos, Alex Chris Garcia and Patricio Hernandez to roam freely and inflicting their bone shattering tackles on the ball carriers.

The Mavericks defensive secondary will certainly be tested in this upcoming game but as usual are always up to the challenge with the likes of Azael Rodriguez, Hector Nunez, German Velasquez, Javier Cerda and Axel Garcia ready to nullify the Indians passing game.

Eagle Pass Sports Central wish the mighty C.C. Winn Mavericks the very best of luck against the Harlandale Indians and invites the entire Mavericks Nation as well as the entire community of Eagle Pass, Texas to come out to the stadium and support the Mavericks this coming Friday night.
