Class 4A 505 to 1149

Class 3A 225 to 504

Class 2A 105 to 224

Class 1A 104.9 and below

In this upcoming realignment and reclassification, Class 1A to Class 5A will be divided into Division I or Division II according to their enrollment numbers. C.C. Winn Mavericks will be in Class 5A Division I where they could very well be paying against several new members in that district which could include San Antonio Southwest Legacy, San Antonio Southwest Dragons, San Antonio Harlan Hawks as well as Laredo Martin Tigers and a few others.

The Eagle Pass Eagles who will remain in Class 6A and more than likely in the same district alongside the Laredo United ISD schools and Del Rio with the exception of South San and Southwest who will probably be realigned to another district and will more than likely see former district foe Laredo Nixon coming back to compete in Class6A
