In the bottom of the third the South San Lady Bobcats padded their lead with another two run out put courtesy of a hit by pitch, and RBI triple and an RBI single to take a 4 to 0 lead in this key matchup. In the bottom of the fourth the Lady Bobcats who are perennially known to force the issue playing small ball by moving runners along to get into scoring position for their heavy hitters in their lineup managed to tack on an insurance run to extend their lead over the Lady Eagles to 5 to 0.

The usually potent Lady Eagles bats were silenced on this night by the Lady Bobcats stellar starting pitcher Sierra Velasquez who handcuffed the Lady Eagles to only five total hits (3 hits according to the San Antonio Express-News). The Lady Eagles finally broke up the potential shutout with what proved to be their only run in the top half of the first inning with Heather Ruiz reaching on an error, with one out Brooke Diaz was issued a base on balls, Janessa Garza followed with an RBI double to drive in Heather Ruiz but the Lady Eagles could not mount any further damage as the left two runners stranded in scoring position at second and third as the South San Lady Bobcats defeated the Eagle Pass Lady Eagles by the final score of 5 to 1 to remain one game behind the district leading Southwest Lady Dragons while the loss keeps the Lady Eagles tied for third place with Laredo Alexander both sporting identical district records of 6-4.
