During the break the Lady Mavericks coaching staff huddled together to make some necessary changes to both their offensive and defensive scheme that paid off dividends in the second half as the Lady Mavericks came out of their halftime locker with a mission as they managed to narrow their deficit to only four points by outscoring the Lady Hawks 15 to 11 in the third period with Ashley Cruz and Destiny Sukue finding the range with their respective shots complimented by a more aggressive defense by the Lady Mavericks that forced key turnovers that resulted into points via fast break layups getting their transition game into high gear as well as with short range jumpers.

In the fourth and final quarter of this contest the proud Lady Mavericks continued their relentless offensive pressure to wipe out their deficit by outscoring the Lady Hawks 16 to 7 to come away with the well earned and hard fought 41 to 36 victory over the stunned Lady Hawks to improve their district record to 4-6. In that final period the Lady Mavericks got scoring contributions from Aislee Salazar, Susana Guerra and Andrea Aldape.
